Report on “Career Talk” 22nd April 2022

A 'Career Talk' for Final Semester students was organised by Career Counselling and Placement and Career Oriented subcommittee of Govt Girls' General Degree College on 22nd April 2022, Friday. The Resource Person of the Talk was the Officer-in-charge of the employment exchange office, Khidderpore, Tarannum Firdous. The talk emphasized on various career opportunities after graduation and government exams (before and after graduation). The talk was divided into three parts: Firstly, it dealt with the discussion of government exams like SSC (Staff Selection Commission) and its different levels; W.B.C.S (West Bengal Civil Service exam) ; W.B.J.S (West Bengal Judicial Service exam) and W. B. A & A.S (West Bengal audit and account service exam). She also mentioned all the requirements for the exams and its eligibility criteria. Secondly, she spoke about various application like "National Career Service" which is helpful for updating us about various jobs and vacancies. She

informed the students about several links like "freejobalert.com" and "karmasandhan.com" which give information about different jobs in government and private sector. Thirdly, she enlightened the students with numerous training courses (which gives certification) available online like 'Microsoft python'; 'TCSiON Training', 'Youth employment training' and many more. The seminar was concluded with an interactive session in which the students interacted with the Resource Person and gained knowledge as how to make an employment exchange card and lastly, the interested students gave their contact details and names to get enrolled in the special courses offered by them. The talk was attended by faculty members from various departments.
