Hooghly Mohsin College.

9. **Objectives:** The Indian Knowledge System (IKS) is a vast intellectual tradition that encompasses philosophy, science, medicine (Ayurveda), mathematics, linguistics, astronomy, yoga, arts, and architecture. The National Education Policy (NEP) 2020 recognizes the significance of IKS and aims to integrate it into modern education to foster holistic and multidisciplinary learning. The objective of this seminar was to provide participants specially the students with a knowledge for interdisciplinary discussions, synthesizing insights from Education, Humanities, Social Science, Science, etc. and fostering a holistic understanding on Indian Knowledge System.
10. **Brief Report:** The programme coordinated and the welcome speech was given by Dr. Koel Adhikary, Assistant Professor of Physics and Joint Convenor of Seminar Sub-Committee. Dr. Syeda Shariqatul Moula Alquadri, Principal of Government Girls’ General Degree College felicitated the resource person and spoke about various dimensions of Indian Knowledge system from Vedic period to present century. The resource person explained Indian Knowledge System from the basics, describing it

roots and its need in the present day. Sir further mentioned that while exploring the Indian knowledge system, it is essential to acknowledge the rich heritage of ancient Indian wisdom, which offers unique insights and methodologies that can complement contemporary research practices. He explains how Indian knowledge system is deeply rooted in ancient scriptures such as the Vedas, Upanishads, Puranas, and various philosophical texts. This system encompasses diverse fields including philosophy, science, mathematics, medicine, astrology, linguistics, and spirituality. Prof Sutapa Bose, Assistant Professor of Education & Joint-Convenor of the Seminar Sub-Committee delivered a heartfelt vote of thanks, expressing gratitude to the Principal, Resource Person, IQAC Coordinator, Teachers Council Secretary, faculty, and students for their valuable contributions to the seminar's success.

11. **Outcomes:** The seminar on Indian Knowledge System proved to be a valuable learning experience for all attendees. By fostering dialogue and critical thinking, the event empowered students to integrate strong values into their personal and professional lives. The seminar served as a reminder of the enduring importance of the Indian Knowledge System in navigating the complexities of the modern world.
12. **Feedback:** Resource person of this Seminar provides his feedback and students who attended the seminar were provided with Feedback Form in Offline modes. The physical feedback forms were collected and has been kept accordingly.

Feedback of Resource Persons

Feedback on Government Girls' General Degree College.

I am deeply grateful to Government Girls' General Degree College for providing me with the opportunity to deliver a lecture on the Ancient India: A symbol of progress in the light of Indian knowledge system. The hospitality extended by the institution was truly commendable, and I appreciate the warmth and respect with which I was received.

I am specially grateful to the Principal Ma'am for her support and guidance. My sincere thanks also go to the seminar Sub-Committee and IQAC for their meticulous efforts in organizing this event.

Additionally, I extend my gratitude to the students for their attentive listening, enthusiasm, and active participation. It was truly an honor to be part of this esteemed occasion.

Regards.
