A brief report on Cine Club

"MONTAGE ", the Cine Club of Government Girls' General Degree College, Ekbalpur, was formed in July 2018 to provide a substitute space to the students for creative thinking and to inculcate a sense to watching films among students. A huge range of regional, national and international movies could provide a passport of knowledge to enter the world of literature, photography, music, acting, and editing together. Artistic cinema reflects the thoughts of pluralistic culture, the idea of a multi-layered society, the reality of gender-politics, the examples of various civilisations, the depth of the human mind and labyrinth of relationships. Therefore, a Cine Club might help our students to develop their critical thinking, to build a new career in Film Making , to study further courses in Liberal Arts or Multi media. The sense of journalism might develop through watching serious Documentary and short films among students.

Aims and Objectives of the Cine Club

- ✚ To inculcate a sense of art appreciation through watching good artistic movies among our students.
- ✚ To develop our students' understanding and affection towards literature by the adaptation of films.
- ✚ To introduce our students to the craft of film making. Seminars, lectures, discussions were organised for teach them about the structure of screen play.
- ✚ To develop the idea about short film making among our students ; which could be shoot even by a mobile phones camera.
- ✚ Acting workshop is also evolved our students' sense of acting on stage performances, in modelling, and in the field of service (As an air- hostess).

Montage ", the Cine Club of GGGDC implant the ideas of critical approach to our students' mind for reviewing a good movie, to write an essay on film appreciation through watching films and discussion on these.

- To build a different professional career, studying films could help them in the future.
- To build an introductory knowledge about photography, editing, music, and writing screen play through the lens of world cinema.
- To build the sense of journalism among the students, document/facts based films (Documentary films) also projected by the Cine Club.
- The Cine Club "Montage", paid homage to the great maestros of celluloid as a tribute to the tradition of film history.
- We believe in a value added education system ; Thus our students could be enriched by the treasure of artistic movies.
