*One Day Educational Trip to Geological Survey of
India :*

A one day educational trip was conducted for Semester I students (under CBCS) to Geological Survey of India office at Central Head Quarters in Park Street Branch , Kolkata on **1ST of October, 2019** to have a demonstration class on 'identification of Rocks and Minerals'. This topic is included in their CC1 practical paper as recommended by UG Board of Studies under University of Calcutta. 15 Students from the Department of Geography along with the two faculty members – Dr. Rajashree Dasgupta and Smt. Suradhuni Ghosh participated in the particular class of 4 hrs duration (from 11 a.m to 3 p.m). Dr. Amitava Bhattacharya, a superintendent Geologist from GSI explained every minute details of different rocks and minerals to the students and hence this class turned out be very fruitful for the students in their course of study.
