

**TITLE OF EVENT/ PROGRAMME:** DEBATE COMPETITION

**TOPIC:** IS TECHNOLOGY INCREASING THE QUALITY OF HUMAN LIFE

**ACADEMIC SESSION:** 2024-2025

**DATE:** 19<sup>th</sup> September,2024

**VENUE:** Lecture Theater-2, GGGDC

**OBJECTIVE/PURPOSE:** The importance of debate for students in the classroom can improve their ability to learn basic critical-thinking and presentation skills in a way that other forms of skills cannot match up with. Classroom debates can train students and people in general about rational thought, community and cultural understanding, customs and manners, set of thoughts, influencing ability and the main element of it public speaking. Student debate has the ability to genuinely involve the students in appropriate learning and to encourage students to be profound thinkers. The debate is more than just quarrelling about a topic, the composition and practices of a debate are meant to hold both sides calm and render them capable to think.

**JUGDES OF THE EVENT:** Dr. Debaprasad Banerjee & Dr.Nandini Jana

**BRIEF REPORT:** Department of Education organised Debate Competition for students of the department on Technology. This event was conducted on 19<sup>th</sup> September,2024 with 16 participants. There were three rounds. To begin with, each participant spoke from their mind on topics that led to a wide spectrum of contrasting views which were maturely tackled by the opponent participants. Facts represented by participants were accurate and expressed in decency language. The event was concluded maturely. All the participants were awarded a participation certificate. The winners of the competition were as follows:

1<sup>st</sup> Position: Kashfa Rahman

2<sup>nd</sup> Position: Nikhat Parveen
