6.2.2 E-GOVERNANCE – IMPLEMENTATION & AREAS OF OPERATION

The College is fully under the control of the Government of West Bengal and follows all the guidelines and circulars issued by the Government. The Govt. of West Bengal has implemented e-governance in all its activities which started since 2014, and the college has been following all such guidelines in every aspect both official and academic from the day of its establishment since 2016.

1. Administration:

The Govt. of W.B. has decided to switch over to Human Resource Management System (HRMS), in the field of establishment matter from manual to online. (See G.O.1242-F(Y) dated 01/03/2017).

Various sub modules under HRMS have been completed and upgraded regularly and deployed in line server for the use of maintaining official records. We also use the module fully to keep and upgrade stakeholders (employees) databases since 28th January, 2016.

Online Self Appraisal Report Portal:

As per G.O. 2748-F (P₂) dated 17-04-2018 Government of West Bengal had imposed rules for sending online appraisal of all the Government Officers including Government College Teachers.

The teachers at every financial year-end send an online report of their activities in a prescribed format, which is evaluated by the Principal as a Reporting Officer and forward to the Director of Public Instruction for reviewing. There is a scoring pattern in this Appraisal system which reflects the performance of the teachers to the Government.

2. FINANCE AND ACCOUNTS:

In this field also the Government of West Bengal had implemented total e-governance where the fund allocation to the Principals (regarded as Drawing and Disbursement Officers, DDO), bill submission to Government Treasuries and direct credit system to the payees, both employees (for salaries and other financial benefits) and the vendors (for purchasing goods)- For this an Integrated Financial Management system (IFMS) for on-line real time management control of all financial transactions had been implemented by the Govt. in 2014. (See G.O. 2088-FB dated 28-2-2014).

We utilize this facility fully and all our financial transactions follow the rules and regulations of IFMS.

GST Portal:

After years of deliberation and negotiations between the Central and State Governments, the Constitution (122nd Amendment) Bill, 2014, was introduced in the Parliament. The Bill aimed to amend the Constitution to enable the implementation of GST. The Constitution Amendment Bill was passed by the Lok Sabha in May, 2015. On July 1, 2017, GST laws were implemented, replacing a complex web of Central and State taxes. Under the Indian GST, goods and services are categorized into different tax slabs. The GST system follows a dual structure, comprising Central GST (CGST) and State GST (SGST), levied concurrently by the Central and State governments, respectively. Additionally, an Integrated GST (IGST) is levied on interstate supplies and imports, which is collected by the Central Government but apportioned to the destination state.

3. STUDENT ADMISSION AND SUPPORT

UG ADMISSION:

Since 2016 the Govt. of West Bengal has implemented online student admission system for the colleges and universities of the entire state. (See G.O. 396-Edn (CS)/I OM-95/14(Pt.1) dated 29/4/2016). Since then, we also follow the Online admission system where all the required forms and attachments are announced through college website, students apply through admission portal link with option for uploading copies of testimonials. The merit-based list of students is prepared following the affiliating University guidelines and our college defined criteria. Selected candidates are called online for Counselling where they can pay requisite fees through a payment gateway in our bank account maintained in Canara Bank, Alipore Branch. This process continues until all the seats are filled in. We also apply to the District Administration for de-reserving the vacant reserved seats, if any.
