

Report on “Visit to Alipore Jail Museum, Kolkata”

Date: 08.01.2025

January is a month in which all the Indians give tribute to the freedom fighters of this country and celebrate birth day of the great freedom fighter Netaji Subhas Chandra Bose on 23rd January and Republic Day of India on 26th January.

Till a very long time, the Alipore Jail was a functional jail where a lot of important personalities like Netaji Subhas Chandra Bose, Rishi Aurobindo Ghosh, Kazi Nazrul Islam, Jawaharlal Neheru had once stayed as prisoners during the Independence period. Only very recently the authorities have turned this jail into a museum and now it is one of the popular spots to visit in Kolkata as well. This is a heritage building and the museum packs within itself a lot to explore. The struggles of the freedom fighters and their effort to gain independence are the main theme of this museum.

On 8th January, 2025, NSS Unit-I of Government Girls’ General Degree College organised a day visit to Alipore Jail Museum to have a close look of the cells where these great freedom fighters were kept. They also came to know about their freedom struggle in more detail by a multimedia show inside this place. They got inspiration from the women freedom fighters of India showcased in a separate room inside the museum. Many other things were there inside this museum that would definitely inspire the volunteers to work hard for their nation to fulfil the motto of National Service Scheme.
