POLICIES ADOPTED BY RESEARCH CELL

- ⚡ Research is a continuous process. The cell acclaims financial support for teachers invited to present papers within India and aboard.
- ⚡ To encourage research activity in the college for students and faculty members.
- ⚡ The cell encourages faculty members to take up collaborative research works, research/publication ventures with Institutions within India and abroad.
- ⚡ Research Methodology workshops to be organized in the college by IQAC cell and seminar subcommittee in different academic sessions to discuss the latest research tools & techniques. Information to students is to be disseminated regarding submission of research manuscripts for publication.
- ⚡ To inform students about intercollegiate research opportunities and motivate them to publish their original research works in leading journals and make oral and or poster presentations at different conferences and seminars.
- ⚡ The College has initiated library collaborations and resource sharing with colleges having MoU with this institution .
- ⚡ College faculty members are encouraged to take initiative for book publication and take up journal editorships.
- ⚡ Some faculty members are on the editorial board(s) of different national and international journals. The cell encourage others to be active in this regard.
- ⚡ The cell inspires teachers to act as resource persons in a larger academic fraternity.

All these policies are reviewed on a regular basis by the Cell in consultation with IQAC .
